Description:

When Rachel Mast returned to Stone Mill, Pennsylvania, she unwittingly became a bridge between the closed Amish community and the Englisher police. Now, as she prepares for her wedding, she's drawn into an investigation that could end in a different ceremony—her funeral . . . Rachel didn't know Daniel Fisher well, but it still comes as a shock when her fiancé, a state trooper, tells her that the young Amish man's death may not have been a hunting accident. The police believe he was murdered and they need Rachel's help telling the family. But when she does, they don't

seem upset or even surprised. Even more unsettling, Daniel's brother-in-law confesses—while his mother begs Rachel to prove his innocence. But why would he give a false confession? Who is he trying to protect? As Rachel's search for answers overshadows her wedding plans, rumors swirl that she might not show up at the altar—and that Daniel wasn't as upstanding as he seemed. While the list of people who wanted him dead grows, Rachel is caught in the killer's crosshairs, and if she's not careful, it may be more than her feet that turn cold. . . . Praise for the Amish Mystery series: "An excellent addition to the Amish mystery subgenre."—Library Journal "An exciting tale of mystery, love, and danger."—Booklist "A well-informed look into the tranquil world of the Amish with a fairly edgy puzzler."—Kirkus Reviews
